

# STADIUM CUSHIONS

We sell the best combination of vinyl and print quality we could find at great pricing. We have an extensive collection of school and team mascots and can custom create a cushion design that will look great. We mix vinyl colors from the top to the bottom at no extra charge. You can use both of your school or team colors!

## 14" x 10" x 1.75" Bench wide Vinyl Cushions

**OUR BEST VALUE AND THE MOST POPULAR CHOICE!!**

Why waste extra cushioning that hangs over the edge of a standard bench seat? These stadium seats are designed to fit the bench while still being thick & comfortable. It ships costs less, ships cheaper and is easier for folks to carry to games than traditional square cushions.
